

Luzerne

Zen Round Coupe Plate

With a sound knowledge of ceramics, artisans have proudly developed Luzerne New Bone... exhibiting all features of traditional bone without the use of bone ash. Luzerne New Bone is stronger than traditional bone, has a high tolerance of temperature variance, suitable in all commercial environments. Suitable for use in the oven and microwave and is dishwasher safe. Luzerne New Bone is technically crafted and designed to enhance the dining experience. Effortlessly blending grace and beauty. Zen introduces a balanced design of luminous lines, creating a bold expression of culinary artistry.
